Product Testing

Please note testing may be sub contracted. The ordering of testing by the customer is taken as approval to use alternative NATA
approved contractors.

Delivery Notice - Special Mixes

· For all special mixes not mentioned above a minimum of 72 hours notice is required prior to delivery.

Waterproof Concrete

- Hymix does not guarantee waterproofness or impermeability of concrete or any resultant structure when a specification calls for the inclusion into a mix of a water proof admixture or permeability reducing admixture
- · Minimum 72 hours notice is required prior to delivery

Temperature Control

• Hymix does not guarantee the temperature of the concrete. For concrete that requires temperature control, the price will be subject to the requested specification and the process requirements to complete the pour.

Shrinkage Specification

• Shrinkage specification is based on laboratory test results as per AS1012. Site testing could result in variations in test results of up to ±150 microstrain.

Load Size Restrictions

- To comply with quality assurance certain standard products will be sold and batched with a minimum load size of 1.0m³ and quantity increments will apply.
- For certain non-standard products, and all products above 50MPa will be sold and batched with a minimum load size of 2.0m³ and quantity increments will apply.

These load size restrictions may change periodically. For further information please contact your Hymix representative.

Contract Documents

• Hymix reserves the right to negotiate all conditions contained in any contract/agreement documentation. Until such negotiations have taken place, the Hymix Terms and Conditions of Sale which have been included with this submission will take precedence.

Payment Terms and GST

- · Cash sales payment required prior to delivery
- · Credit accounts within any credit period granted in writing by Hymix All rates are exclusive of GST

Credit Card Payments

 Hymix has the option for account customers to pay their invoices via credit card; this payment method will attract a surcharge of 1.0% for MasterCard and Visa and 2.04% for AMEX.
